

DM-306

DEPUTIES* MEETING

Monday, 21 June 1954

PRESENT: Mr. Dulles, General Cabell, Messrs. Wisner, Amory,
Col. White, Messrs. Kirkpatrick, [redacted], Kent and
[redacted]

25X1

Mr. Dulles:

25X1

25X1 b. Noted that [redacted] is coming in today 25X1
at 4:00 p.m. to discuss [redacted] in general and stated he wished to
raise as the first item on the agenda the [redacted] radio project. 25X1
It was noted that the PRC had approved this activity at its
meeting on 18 June with the exception of the Administrative
Support Plan which is now being considered by DD/A. The Director
expressed the opinion that this was a major project, therefore
noted his intention of discussing it at the O.C.B. luncheon on
Wednesday, 30 June. He therefore asked that (1) a memorandum
suitable for presentation to the OCB be prepared, and (2) Col.
White, [redacted] be present at the
meeting scheduled today with [redacted] to discuss this
project and the contents of the memorandum referred to in (1)
above. 25X1

25X1 c. Noted that he had received a call from Mr. Woodward
of State regarding [redacted] Mr. Wisner pointed out that
Mr. Lawrence Houston knew more about this affair than anyone
else in CIA. The Director asked [redacted] to have Mr. Houston
come in to see him, noting that in all probability he would have

25X1

~~TOP SECRET~~

Mr. Houston get in touch with Bill Rogers.

General Cabell:

25X1
Briefly reported on a conversation he had with General Trudeau during the Secretaries' Conference at Quantico respecting [redacted] noting Trudeau had indicated he had been advised by his people that G-2 was not receiving cooperation from the CIA officers conducting this activity. General Cabell said he would discuss this in more detail with [redacted] and [redacted]

25X1

Mr. Kirkpatrick:

25X1
Raised the question of the source of Senator Knowland's recent insertion in the Congressional Record on China, and after some discussion the Director asked DD/P to have Mr. [redacted] get in touch with Mr. Drumright in the Department of State on this matter.
